

BOOK DR. ED TUROSE TO SPEAK AT YOUR
COLLEGE OR ORGANIZATION

THE POWER OF INTERPERSONAL SKILLS

**BUILDING STRONGER PEOPLE.
STRONGER TEAMS. STRONGER FUTURES.**

Equip your students and teams with the people skills employers value most—rooted in the power of the **DISC** model.

WHY DISC?

The DISC model helps individuals understand themselves and others by revealing behavioral tendencies and natural motivators—leading to stronger connections, better decisions, and greater success.

Dr. Ed Turose

AMERICA'S FOCUS COACH

“ People don't leave organizations—they leave people. Let's build stronger relationships, one conversation at a time.

– Dr. Ed Turose

MASTER THE INTERPERSONAL SKILLS EMPLOYERS NEED MOST

UNDERSTANDING SELF & OTHERS

Use DISC to build self-awareness and empathy. Understand your style. Appreciate others. Improve every interaction.

COMMUNICATION

Adapt your message to connect more clearly and influence more effectively across any personality.

COLLABORATION

Leverage DISC strengths to build trust, align goals, and get the best out of every team member.

CONFLICT RESOLUTION

Understand the root of conflict and turn tension into growth with greater respect and resolution.

CONFIDENCE

When you understand your style and value others, you communicate with confidence and lead with impact.

INVEST IN PEOPLE. TRANSFORM CULTURE. DRIVE RESULTS.

Perfect for Colleges, Leadership Programs, Companies, Nonprofits, and Community Organizations
